

XIII International Primary Care Diabetes Europe conference

Diabetes education in multimorbidity
and hypoglycaemic management

23-24 May 2014
Barcelona (Spain)

Dear colleagues,

Please find here the latest news on the XIIIth International Primary Care Diabetes Europe Conference:

REGISTER NOW

Register now online.
Early Bird Rate (reduced fee) has been extended until 3rd March, 2014.

CALL FOR ABSTRACTS

We invite you to [submit your abstract for the conference](#).

Abstract Submission Deadline is Monday, March 3rd 2014. An abstract of new research in the Primary Care field would be great, but you could consider an abstract of an already published study as well (submitted for EASD, WONCA, etc.).

- Participants will have the opportunity to present and share their research results during interactive and guided poster sessions while the top 5 selected posters will be presented in a plenary session as well.
- Abstracts will be published in our [Primary Care Diabetes journal](#) (Medline, Scopus, Science Citation Index (1.6) and PsycINFO indexed)

CALL FOR ABSTRACTS

Submit your [online abstract](#) for the conference until **March 3rd, 2014**.

REGISTER NOW!

Register now online. **Early Bird Rate (reduced fee) has been extended until 3rd March, 2014.**

Don't miss the opportunity to join the Conference, share experiences with colleagues from all over the world and keep updated with the latest aspects and studies in the diabetes field.

CME ACCREDITATION

An application has been made to the European Accreditation Council for Continuing Medical Education (EACCME®) for CME accreditation of this event.
